THE EPISCOPAL SCHOOL OF KNOXVILLE

STRENGTHENING YOUR
CHILD'S TOMORROW,
TODAY.

Our interactive teaching style allows our students to grasp complex subjects. Small classes combined with the talents of some of the finest teachers in this region nurture our students' natural curiosity and enthusiasm.

Episcopal schools affirm belief in the innate spiritual capacities of all children. Through daily Chapel, we hope to build a community where each child can belong and find companionship and strength for the journey of life.

Our school prepares students for higher education and a lifetime of learning within the context of a loving, inclusive and family centered community. We enrich our students' intellectual, physical, cultural and spiritual growth.

ESK's Athletics Programs aim to promote good sportsmanship in a competitive environment. Our sports programs strive to teach discipline, commitment, and teamwork- while promoting physical activity as a way of life.

Through our service-based learning curriculum, we help students identify their talents for service and encourage them to be involved in a variety of community service projects, both local and worldwide in scope.
